

SET UP INSTRUCTIONS

EXTRA PENDANT Model #35915

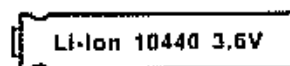

This Extra Pendant is to be used with the FreedomAlert product model 35911. Up to 16 of these pendants can be taught to one base unit.

Before programming this extra pendant to work with your FreedomAlert base unit, you must acknowledge that all of the Warnings, Limitations of Liability, Disclaimers, FCC information and Testing Instructions written in the FreedomAlert instruction manual pertain to the use of this product as well when used with the FreedomAlert product. By programming this extra pendant to your FreedomAlert product, you acknowledge that you have a copy of these instructions and have read them. If you do not have a copy, you can always get a copy off of our website or by calling our company and requesting one.
