

# *all-weather* ESCAPER-BUDDY

Never get stuck in the snow, sand or mud again!

## **Stop Spinning Your Wheels!**

The Escaper Buddy has raised tracks to give your car the maximum grip necessary to get out of any tough spot. Road or off road conditions including snow, ice, sand or mud are no match when you place these traction mats under the vehicle's drive wheels. Press lightly on the accelerator and you're going again. No towing, and no pushing.

## **High-Impact Plastic Construction**

Escaper Buddy mats are made of Polypropylene. They are lightweight but extremely durable. Keep a set in every vehicle you own, and never get stuck again.

## **Features:**

- Prevent your vehicle's tires from spinning on snow, sand, mud or ice.
- Avoid shoveling, towing, or being stranded with out help.
- Great for when you go off-road. Never get stuck again!
- Simply place the traction mats under your vehicle's drive wheels and go!
- High-impact Polypropylene plastic construction.
- Large size is perfect for all vehicles.
- Accommodates most standard tires.
