

17" Chill Mat™+ with 4-Port Hub

AWE81US

Overview

Turn your laptop into a workstation with the Targus Chill Mat™+ with 4-Port Hub. The Chill Mat+ combines a Chill Mat with all the important things you need when working at a desk. A built-in 4-Port hub allows you to connect all your peripherals all at once. Dual fans keep your laptop cool, while the adjustable height allows you to use it as a laptop stand. Use it flat, or at the highest setting (4") with an external keyboard for better ergonomics. To keep all your cables organized, Velcro® straps help you keep everything nice and neat. The Chill Mat+ with 4-Port Hub is the ideal solution for owners looking to get the most out of their laptop.

Features

- Includes a USB hub to help share the USB connectivity used to power the built-in fans.
- Fans are powered using a standard USB connection that can be connected to your laptop or computer using a mini-USB cable.
- Sturdy, durable construction
- Dual fans help keep you and your laptop cool. A built-in 4-Port Hub allows connection to peripherals. Adjustable height (4 levels) lets you use as a laptop stand with external keyboard, while the bottom ledge keeps the laptop in place. Velcro® straps keep peripheral cables neat and tidy.
